(Pioche, NV)

MB Docket No. _____
RM- _____

FILED/ACCEPTED

To: Office of Secretary
Attn: Chief, Audio Division, Media Bureau

Federal Communications Commission
Office of the Secretary

REQUEST TO WITHDRAW PETITION FOR RULE MAKING

Canyon Media Group, LLC ("Canyon Media"), hereby requests that its earlier Petition for Rule Making filed on November 3, 2011 in the above-captioned matter be withdrawn as moot. By its earlier petition, Canyon Media sought to initiate a rule making proceeding to amend the FM Table of Allotments (Section 73.202(b) of the Commission's Rules) in order to assign a new FM Channel 299C to Pioche, Nevada, as that community's second local transmission service. As a result of a recent decision by the Media Bureau, *In the Matter of Amendment of Section 73.202(b), Table of Allotments, FM Broadcast Stations (Milford, Utah), etc.*, Report and Order, DA 11-2008, released December 9, 2011 ("Report and Order"), however, the proposed change to the FM Table of Allotments is no longer necessary, nor will it be pursued by Canyon Media.¹

¹ Canyon Media requests that this action be conditioned upon the finality of the Report and Order. To the extent that there is any appeal or review of the grant of the change in city of license of KCLS(FM), as approved in the Report and Order, Canyon Media will continue to pursue this rule making request. Canyon Media files this request now to put the Commission's staff on notice of its intent with respect to this matter so that no additional expenditures of staff time are made on what appears to be a matter that has become moot.

Accordingly, as the Media Bureau's decision has eliminated the need for the proposed Rule Making, Canyon Media hereby withdraws its earlier Petition for Rule Making and further requests that its associated FCC Form 301 Application for an Initial Construction Permit, FCC File No. BNPH-20111103AJI, also be withdrawn.

Respectfully submitted,
